

# Street Pastors

## Bath

---

**Please remember  
to pray for us!**

**Pray for each team**  
as they volunteer their time  
to walk the streets of Bath every  
Friday and Saturday night.

**Pray for safety**  
for our volunteers and for  
everyone involved in Bath's  
night time economy.

**Pray for opportunities**  
to share God's love in  
actions and words.

---

**Street Pastors is a national Christian  
organisation, patrolling the streets  
of city centres at night helping  
to make them safer places  
for everyone.**
