

Praying with the Clergy on Fridays

Most Fridays, when possible, our clergy take it in turns to read the Bible and pray with our Street Pastors before they go out onto the streets. We are thrilled that they take time in their busy schedules to come and give us their blessing. It is also an encouragement to the Prayer Pastors having the local clergy support them in their ministry. We are also very grateful to those who have joined the Totnes Prayer Network who regularly remember the Street Pastors in their private prayers.

Totnes Prayer Network

Festival of Prayer and Prayer Concert

Saturday 1st October

Totnes United Free Church

The Festival will start at **9.30am** ending with a Prayer Concert at **6.30pm** concluding at **8pm** with refreshments.

Prayer Festival 8 beautifully decorated 'prayer spaces' each focussing on an aspect of prayer for Totnes—a space for personal prayer, and a time to be still. Come and pray and reflect in an atmosphere of peace, beauty and reverence. Drop in and leave whenever you would like, throughout the day.

Prayer Concert Not a musical event, but because of all our ecumenical traditions we blend together in Christ rather like a concert orchestra. The concert starts with prayers, readings and hymns and then we will move into prayer spaces for guided prayer based on the Totnes Prayer Network Booklet and other materials. These prayers will be led by members and clergy from churches in Totnes.

If you would like to be involved in preparations for the day and help on the day itself, please contact **Anne Dunn on 01803 712708**

We need florists, potters, painters, poets, calligraphers, people who are happy to lead prayers and those who would be happy to act as hosts for the day.

We are very pleased to announce that Totnes Street Pastors will be using the Quaker Meeting House for their base for three months from November.

We are very grateful to the Society of Quakers for considering and approving our request.

A lot happens at the Dartmouth Pub and Vere island and during the Winter when it is often cold and wet the Street Pastors occasionally need to bring someone to a place of warmth and safety whilst parents etc are contacted. The Quaker Meeting House is very nearby and has a glass frontage, which in terms of vulnerable adult and child protection makes it extremely suitable for use as a base.

What's more, you can now look up Street Pastors on Wikipedia!

We are also looking for Base partners

If you are happy to give a couple of **Saturdays** of your time during the year from 10pm—2pm, we would love to hear from you.

Being a Base Partner would mean taking calls from Street Pastors and Police and relaying information; making the snacks for the Street Pastors when they come in for a break and praying, especially in times of emergency, using the Totnes Prayer Network Booklet as a guide.
