TUNBRIDGE WELLS STREET PASTORS

"The church in action on the streets"

June 2010 Newsletter – No.3

Focus on "PRAYER PASTORS"

Whenever Street Pastors are on duty, so are the PRAYER PASTORS.

Friday night begins at about 9.40 pm when Street Pastors(SPs) and the 'early shift' Prayer Pastors (PPs) pray together. At 10pm the SPs leave and the PPs continue to pray.

PPs and PPs keep in regular contact with each other; when SPs meet with someone who needs prayer they call the PPs; when PPs have a Word from God they call the SPs

PPs pray that the SPs are led to the places God wants them to go; that SPs meet the people God wants them to meet; for sensitivity and wisdom for the SPs as they encounter people and situations; for the safety of the 'clubbers', Police, Night Club Staff, SPs etc. They pray for the needs of individuals 'texted' or 'called in' by SP's.

At 12.30a.m. SP's return to base for a tea- break, to pray with and say 'Goodnight' to the 'Early Shift' PPs.The 'Late Shift'PPs then take over and pray with SPs so that they can be back on duty by 1.00 a.m.

If you see Street Pastors on duty you know our town is being prayed for by Prayer Pastors

We have already been out for occasions other than the usual Friday night/Saturday morning:-		
Tuesday 13th April 2010	'13-17yrs.' night at Belugas	Problems with under-age drinking outside the venue. The night Club has now cancelled these events!
Saturday 15th May 2010	Trial Saturday night out	As busy as Friday night, but older population (20+yrs.). SPs needed.
